Presidential Fellows Program Work Flow

1. The Graduate School requests nominations from programs. All programs are eligible to nominate doctoral students for this award. Nominations are submitted through Grad Status, mid-January of each year.

2. Nominees are reviewed by a panel of faculty who meet in early Feb of each year. Programs are notified of the outcomes by mid-February of each year.

3. Presidential Fellows are offered a five-year commitment, $27,000/academic year ($23,625 in year 01), assuming adequate progress towards the degree. Support for the Presidential Fellows Program is provided according to the following schedule (*combination of assistantship and fellowship funds):
