# STATEMENT OF PURPOSE

A statement of purpose is a letter or essay outlining why you are hoping to obtain a graduate degree, your future professional plans and how this degree fits into these plans, why you are applying for this specific graduate program, and which faculty member(s) research overlaps with your interest specifically. You should not send the same statement of purpose to all universities to which you are applying; you should customize each submission for the specific graduate program and university.

# SUPPLEMENTAL DOCUMENTS

- ❑ Make sure you are aware of other materials and documentation required by your department before a decision can be made
  
- ❑ Other materials may include
  - Writing sample
  - Curriculum Vitae
  - Interview
  - Portfolio

To identify your graduate program's list of required supplemental documents, please see [here](#).

# Two Dedicated Offices and GradFIRST

The [Office of International Student Life](#) (ISL) enhances the student-learning environment through programs and services that internationalize the campus experience. ISL hosts International Orientation, weekly International Coffee Hour hosted by different nation-based student organizations, the annual International Street Festival, and multiple Cultural Nights events.

The [Office of Global Engagement](#) coordinates immigration services.

The [GradFIRST](#) seminar series supplements discipline-specific training in graduate students' academic programs with focused professional development and engagement/networking opportunities with faculty and other graduate students across UGA's campuses. GradFIRST seminars are 1-credit courses (GRSC 7001) taught by UGA graduate program faculty.
