

## Graduate School UNIVERSITY OF GEORGIA

### NSF GRFP - Graduate Research Fellowship Program Timeline for Fall 2023

#### June and July

- Read the NSF GRFP website at <http://www.nsfgrfp.org> for information about the program and eligibility.
- Check this year's [NSF GRFP Solicitation](#) (released in July) for fields of study, deadlines, and application guidelines.
- Check eligibility requirements using the NSF GRFP Eligibility questionnaire:  
<https://www.nsf.gov/pubs/2023/nsf23010/nsf23010.jsp>

#### August

- Decide in which year to apply by reviewing the [GRFP FAQs](#) for this year. (Note: Students who started graduate school before August 2023 must apply this fall.)
- Begin your application. Register for your [Research.gov](#) account if you haven't already.
- Write your personal and research statements.
- Participate in the UGA Graduate School's **GRFP Info Session: Applying to the NSF GRFP**
  - Tuesday, August 22, 9:30-10:30am - Miller Learning Center, room 367; or
  - Wednesday, August 23, 3:00-4:00pm - Miller Learning Center, room 367
- Ask your reference writers for letters of support (at least three). Provide them with your current CV. Meet with them to discuss criteria and deadlines.

#### September

- Write and revise your personal and research statements.
- Participate in the UGA Graduate School's **GRFP Workshop: Personal and Research Statements**
  - Tuesday, September 12, 9:30-10:30am – Miller Learning Center, room 367; or
  - Wednesday, September 13, 3:00-4:00pm - Miller Learning Center, room 367
- Give your reference writers copies of your personal and research statements.
- Share your application components with others for feedback.

#### October

- Bring your application materials to the UGA Graduate School's **GRFP Workshop: Peer Feedback Sessions**
  - Tuesday, October 3, 9:30-10:30am – Miller Learning Center, room 367; or
  - Wednesday, October 4, 3:00-4:00pm - Miller Learning Center, room 367
- Check in with your recommendation letter writers and send reminders.
- Have someone read your application materials for typos. Make edits and revisions.
- Submit your application early. **GRFP Deadlines for Fall 2023:**
  - October 16 - Life Sciences
  - October 17 - Computer and Information Science and Engineering, Materials Research, Psychology, Social Sciences, STEM Education and Learning
  - October 19 – Engineering
  - October 20 - Chemistry, Geosciences, Mathematical Sciences, Physics and Astronomy
- Send thank you notes to your letter writers.
- If you meet the requirements, submit your form for UGA's GRFP Applicant Incentive Award by the deadline.
